How to Take a Remote Class via Zoom

Look for  if a class is offered via Zoom. Those sessions are listed after the classes in a physical location.

1

Please download the Zoom app on your laptop or desktop computer. If you don't have easy access to a computer, you can also download the app on your phone.

2

Desktops and laptops are preferable as they provide a more stable connection. For mobile phones, message and data rates may apply. Please be prepared to participate in your Zoom class as you would if it were an in-person class and arrange for the time to be dedicated solely to the class. All courses require you to be visible on camera for the duration of the class. For safety reasons, please do not participate in Zoom classes while driving. The instructor reserves the right to remove you for being off camera or driving while in class.

3

To join a Zoom class, log in to your 32BJ Member Portal account, and click the "Your Benefits" tab on the top of the page. Click "Training" and then go to your transcript. Next to your Remote course there will be a button that says "Launch Zoom." Click to begin the class. To register for the Member Portal, go to <https://www.32bjmemberportal.org/Login> and follow the simple steps to register. It will take less than five minutes.

4

Make sure you join at least five to ten minutes prior to the start of the class and be sure to set up Zoom beforehand to avoid delays. You will be placed in a "waiting room" until your instructor starts the class and admits you.

For assistance with Zoom, you may also contact the Training Fund at 888-284-3225.

Welcome!

In the recent school year, nearly 2,700 members took classes with the 32BJ Training Fund for the first time. And over 25,000 different members took at least one class with us. All in all, with so many of you taking multiple classes despite your busy schedules and personal lives, members took over 63,000 classes.

In 2024-25,
more than
25,000
students
enrolled in over
3,000
course
sessions
and
2,688
of them enrolled in
their first class.

But reducing the work of our members to statistics does not do justice to the extraordinary commitment and effort that you make to increase your knowledge and fine-tune your skills, to learn new things, and get better at what you have already accomplished.

The Training Fund helps by offering classes in-person, remotely, and online, as well as coming to your place of work to offer classes there. Whether you've taken dozens of classes or are about to take your first, we want to make sure your learning journey is a positive one.

Every day we're reminded of the unique relationships between our members, the union, and employers. Recognizing that makes us strive to make sure we provide you the best training and education we can.

Howard Rothschild
President
Realty Advisory Board

Manny Pastreich
President
32BJ SEIU

Registration and Eligibility

About Us

The 32BJ Training Fund is a joint labor-management partnership that offers training to eligible participants at no cost. The Fund is supported by contributions negotiated between 32BJ SEIU and participating employers. Our mission is to train every participant to grow to the next level. We want to continually raise standards by providing 32BJ members with the tools they need to meet the challenges of a changing industry. At the 32BJ Training Fund, everything we do supports the goal of making it possible for members to get the education, training, and skills they need to grow in the quickly changing property services world.

Registration

ONLINE

Go to 32bjmemberportal.org to learn more.

BY PHONE

Please call 888-284-3225 (toll-free outside New York City) on the registration dates specified in the box below.

WALK-IN

See pages 54–56.

What to Bring

- ☐ Union ID to enter building. ID can be on your phone.
- ☐ Name(s) of the course(s) you want to take and the day(s) and the time(s) that you are available to take the course(s).

Check if your desired course(s) require(s) any prerequisites. See Course/Quick Course Prerequisites starting on page 7 for more information. If you miss the registration dates for any location, call 888-284-3225.

Stay Updated on Your Registration with Text Messaging!

ARE YOU ON THE WAITLIST FOR A CLASS? Occasionally, courses are oversubscribed, so make sure you have your educational prerequisites confirmed and completed. You will be notified if a seat opens up.

DID YOUR PLANS CHANGE AFTER YOU REGISTERED? You can help other students by letting us know. Respond to our texts and free up a seat for another member on the waitlist.

DIDN'T GET INTO YOUR CLASS? Contact us for information on the next available session. Log in to 32bjmemberportal.org to update your contact information.

Eligibility

To check if you are eligible for Training Fund benefits, visit our website at 32bjmemberportal.org, then click on "About" to learn more. You can also download our summary plan description from the same place.

EMERGENCY SCHOOL CLOSINGS

To inquire about the possible cancellation of classes in the event of a weather emergency or other hazardous conditions, contact your Site Manager, whose contact information can be found on pages 54–56.

NOTICE OF NONDISCRIMINATION POLICY

We do not discriminate on the basis of race, color, age, gender, sexual orientation, national origin, ethnicity, or religion in the administration of our educational or admission policies.

Tutoring

Are you trying to pass a third-party exam like Citizenship, FDNY, or High School Equivalency? We can help! Our subject matter expert instructors will help you with efficient and in-depth study in your area of learning.

Math & Measuring Skills for Industry

Overcome math anxiety and learn to perform the math functions used in carpentry, electricity, and plumbing. Attend only the number of sessions you need. *Note: This course is also available online.*

To schedule a one-on-one meeting or for more information, contact us at training@32bjfunds.com or 888-284-3225.

Scholarships Available for You and Your Eligible Dependents

Applications for scholarships are available November 1.

The 32BJ Training Fund awards a limited number of scholarships in the amounts of:

- up to \$20,000 toward an undergraduate (bachelor's) degree
- up to \$32,000 toward a graduate degree

For general information, eligibility requirements, and to apply online go to 32bjmemberportal.org or call 888-284-3225. Completed applications and supporting documents must be submitted by January 31.

Questions? Email scholarships@32bjfunds.com

Career Tracks

REGISTER AT
32BJMEMBERPORTAL.ORG

Career Tracks are based on job titles and the skills and qualifications the union and employers believe are necessary for that position. Each Career Track is designed to provide the essential skills needed to progress to the next level in your career.

These Career Tracks are in the order in which you should take them, following the identifying description (i.e., Commercial, Residential).

Training Fund staff are here to assist you and provide one-on-one consultation to help you make the best decision for you and your career.

Please note: If you do not complete at least one course toward your Career Track within a two-year period you will be automatically unenrolled from that Career Track. This unenrollment won't prevent you from taking any training classes you are eligible for, and you may reenroll in a Career Track at any time.

Enroll in a Career Track via the 32BJ Member Portal: 32bjmemberportal.org

1

Select a track. Take a look at our available Career Tracks and determine which tracks are right for you.

2

Register for and complete the required courses in your Career Track. For more information on courses and quick courses, see page 7.

3

Graduate! Once you complete your Career Track, you are eligible to participate in our annual graduation ceremonies at several locations.

Career Services is available in person in New York City and via Zoom for members in other locations.

Looking for assistance with determining a career path, interviewing, or resume writing? See Career Development classes listed on page 14. Contact me to guide you through our Career Tracks and to explore how to improve your resume and interviewing skills. We offer you the tools you need to ensure your continued success. To make an appointment, email careerservices@32bjfunds.com or call 888-284-3225.

Career Tracks

Commercial/Residential Handyperson

ESTIMATED CLASSROOM HOURS (MAX): 418

Gain the ability to perform the basic electrical, plumbing, carpentry, and other repairs required of a Handyperson.

The Handyperson Career Track is the prerequisite for BOTH Assistant Engineer/Mechanic, and Superintendent/Resident Manager I Career Tracks.

REQUIRED COURSES

- ☐ Air Pollution Control
- ☐ Carpentry Basics
- ☐ Computer: Basics/New Users
- ☐ Electricity Basics
- ☐ Heating Systems I
- ☐ Heating Systems II
- ☐ OSHA 30-Hour General Industry OR
Online: OSHA 30-Hour General Industry
- ☐ Plumbing Basics

REQUIRED QUICK COURSES

- ☐ Bed Bug Awareness OR Online:
Bed Bug Awareness
- ☐ Customer Service OR
Online: Customer Service
- ☐ Fire Safety for Residential Buildings

- ☐ Green Buildings: Advanced Air Sealing
- ☐ Mold Awareness OR
Online: Mold Awareness
- ☐ Superintendent: How to Become One

ELECTIVES (CHOOSE THREE COURSES)

- ☐ Asbestos Awareness OR Online:
Asbestos Awareness*
- ☐ Gas Safety Awareness OR Online:
Gas Safety Awareness*
- ☐ Heating Systems III: Lab (NYC Tech)
- ☐ Lead Safety for Renovation, Repair,
and Painting: Initial*
- ☐ Steam I: Theory
- ☐ Steam II: Hands-On
- ☐ Visual Assessment & Local Law 1*

**Designed for pre-war buildings*

Commercial: Assistant Engineer/Mechanic

ESTIMATED CLASSROOM HOURS (MAX): 307

Obtain knowledge of air conditioning and sustainable technologies in building systems to become an Assistant Engineer/Mechanic.

PREREQUISITE

- ☐ Commercial/Residential Handyperson Career Track
The Handyperson Career Track is the prerequisite for BOTH Assistant Engineer/Mechanic, and Superintendent/Resident Manager I Career Tracks.

REQUIRED COURSES

- ☐ Air Conditioning & Refrigeration I
- ☐ Air Conditioning & Refrigeration II
- ☐ Air Conditioning & Refrigeration III
- ☐ Green Commercial I: GPRO Mechanical, Electrical & Plumbing (MEP)
- ☐ Human Relations

REQUIRED QUICK COURSES

- ☐ Building Management: Ethics
- ☐ Heat Pumps

RECOMMENDED COURSE

- ☐ Air Conditioning & Refrigeration:
Absorption Systems

This class is required to receive the maximum credits available from City Tech–New York City College of Technology. See box below.

Commercial: Engineer

ESTIMATED CLASSROOM HOURS: 465

Acquire the building blocks necessary to gain access as an entry-level Building Engineer.

PREREQUISITE

- ☐ Assistant Engineer/Mechanic Career Track

REQUIRED COURSES

- ☐ Building Automation Systems I:
HVAC Concepts
- ☐ Building Automation Systems II:
Core Concepts
- ☐ Building Automation Systems III: Advanced
- ☐ Building Automation Systems:
Sustainable Technologies
- ☐ FDNY: Refrigerating System
Operating Engineer I

- ☐ FDNY: Refrigerating System
Operating Engineer II
- ☐ FDNY: Refrigerating System
Operating Engineer III
- ☐ Green Commercial II: Building Operator
Certification I
- ☐ Green Professional I: LEED Green Associate

REQUIRED QUICK COURSES

- ☐ FDNY: Refrigerating System Operating
Engineers Practical Examination
- ☐ Green Buildings: Energy Grade &
Carbon Emissions

Students who successfully complete all required courses for the Commercial: Engineer Career Track, and pass the Refrigeration System Operating Engineer (Q-01) Practical Exam are eligible for up to twenty-seven credits at City Tech–New York City College of Technology toward the Bachelor of Technology degree in Facilities Management and its included Associate's Degree in Environmental Control Technology. Certificates must be presented upon admission to the program.

Lead Security Officer

ESTIMATED CLASSROOM HOURS: 227.5

Obtain the knowledge and certifications that will help you become a leader in the security field.

REQUIRED COURSES

- ☐ Computer: Basics/New Users
- ☐ FDNY: Fire & Life Safety Director (F-89)
- ☐ FDNY: Standpipe & Sprinkler Systems (S-12, S-13, S-14, S-15)
- ☐ Human Relations

Certain Security Officers may meet the requirements for the Experienced Security Officer Incentive Program. See page 46 for details.

REQUIRED QUICK COURSES

- ☐ CPR/AED/First Aid
- ☐ FDNY: Fire & Non-Fire Emergency Drill Conductor (F-07)
- ☐ FDNY: Fire Guard for Impairment Citywide (F-01)
- ☐ FDNY: Fire Guard for Torch Operations (F-60)
- ☐ FDNY: Indoor/Outdoor Place of Assembly Safety Personnel (F-03, F-04)
- ☐ FDNY: Inspection Cleaning & Testing of Smoke Detectors (F-78)
- ☐ FDNY: Supervision of Fire Alarm Systems (S-95)
- ☐ Leadership & Supervisory Skills OR Leadership Scenarios
- ☐ Mental Health First Aid
- ☐ Opioid Awareness
- ☐ OSHA 10-Hour General Industry*
- ☐ Security Officer: Basic Tips You Can Use During Difficult Encounters

- ☐ Security Officer: Bomb Threat Awareness
- ☐ Security Officer: Crisis Intervention and De-Escalation Techniques
- ☐ Security Officer: Diversity & Cultural Competence
- ☐ Security Officer: Emergency & Disaster Management
- ☐ Security Officer: Ethics for the Security Professional
- ☐ Security Officer: Event Risk Management
- ☐ Security Officer: Report Writing
- ☐ Security Officer: Resilience Training for Mental Wellness
- ☐ Security Officer: Security Control Room
- ☐ Security Officer: Terrorism Awareness & Prevention Strategies
- ☐ Self-Defense

*Completing OSHA 30-Hour General Industry fulfills this requirement.

Residential: Superintendent/Resident Manager I

ESTIMATED CLASSROOM HOURS: 349

Obtain the knowledge needed to become an entry-level Superintendent.

PREREQUISITE

- ☐ Commercial/Residential Handyperson Career Track
- The Handyperson Career Track is the prerequisite for BOTH Assistant Engineer/Mechanic, and Superintendent/Resident Manager I Career Tracks.*

REQUIRED COURSES

- ☐ Blueprint Reading
- ☐ Computer: Spreadsheets (MS Excel)
- ☐ FDNY: Standpipe & Sprinkler Systems (S-12, S-13, S-14, S-15)
- ☐ Green Residential I: BPI Multifamily Building Operator (MFBO)
- ☐ Human Relations
- ☐ Locksmith Basics

REQUIRED QUICK COURSES

- ☐ Building Management: Ethics
- ☐ Carbon Monoxide Awareness OR Online: Carbon Monoxide Awareness

- ☐ Carpentry Troubleshooting: Patching & Plastering Repair
- ☐ Disaster Preparedness & Crisis Management
- ☐ Electricity: Troubleshooting
- ☐ Green Buildings: Energy Grade & Carbon Emissions
- ☐ Green Residential II: GPRO O&M
- ☐ Heat & Hot Water
- ☐ Integrated Pest Management OR Online: Integrated Pest Management
- ☐ Leadership & Supervisory Skills OR Leadership Scenarios
- ☐ Plumbing: Troubleshooting

Residential: Superintendent/Resident Manager II

ESTIMATED CLASSROOM HOURS: 355

Gain the skills necessary to move to a higher level of Superintendent or Resident Manager.

PREREQUISITES

- ☐ Superintendent/Resident Manager I Career Track

REQUIRED COURSES

- ☐ Air Conditioning & Refrigeration I
- ☐ Air Conditioning & Refrigeration II
- ☐ Air Conditioning & Refrigeration III
- ☐ Building Management I: Budgets & Preventative Maintenance

- ☐ Building Management II: Documentation & the Law
- ☐ Building Management III: Project Management
- ☐ Green Professional I: LEED Green Associate
- ☐ Green Residential III: BPI Multifamily Building Analyst (MFBA)

REQUIRED QUICK COURSES

- ☐ Building Management: Taking Over a New or Existing Building
- ☐ Green Residential: Recycling for Multifamily Buildings
- ☐ Renovation Projects: How to Manage
- ☐ Time Management

RECOMMENDED COURSE

- ☐ Air Conditioning & Refrigeration: Absorption Systems

This class is required to receive the maximum credits available from City Tech–New York City College of Technology. See box on page 4.

Career Tracks

Residential: Superintendent/Resident Manager III (Refrigerating System Operating Engineer License)

ESTIMATED CLASSROOM HOURS: 366

Acquire the knowledge necessary to work at the highest level of Superintendent/Resident Manager.

PREREQUISITE

- ☐ Superintendent/Resident Manager II Career Track

REQUIRED COURSES

- ☐ Building Automation Systems I: HVAC Concepts
- ☐ Building Automation Systems II: Core Concepts
- ☐ Building Automation Systems III: Advanced
- ☐ Building Automation Systems: Sustainable Technologies
- ☐ FDNY: Refrigerating System Operating Engineer I

- ☐ FDNY: Refrigerating System Operating Engineer II
- ☐ FDNY: Refrigerating System Operating Engineer III

REQUIRED QUICK COURSES

- ☐ FDNY: Refrigerating System Operating Engineers Practical Examination
- ☐ Heat Pumps

Students who successfully complete all required courses for the Residential: Superintendent/Resident Manager III Career Track, and pass the Refrigeration System Operating Engineer (Q-01) Practical Exam are eligible for up to twenty-seven credits at City Tech–New York City College of Technology toward the Bachelor of Technology degree in Facilities Management and its included Associate's Degree in Environmental Control Technology. Certificates must be presented upon admission to the program.

Utility/Foreperson Cleaner

ESTIMATED CLASSROOM HOURS: 165

Develop the skills to directly supervise and coordinate activities of a crew of commercial cleaners.

PREREQUISITE

- ☐ Must provide high school diploma or its equivalent or pass reading and/or math assessment.

REQUIRED COURSES

- ☐ Cleaning: Products & Techniques
- ☐ Computer: Basics/New Users
- ☐ Human Relations

REQUIRED QUICK COURSES

- ☐ Cleaning: Industrial Floor Surface Cleaning
- ☐ Cleaning: Long-Term Floor Care
- ☐ Cleaning: Terrazzo & Tile Floor Care
- ☐ Cleaning: Wall Maintenance

- ☐ Customer Service OR Online: Customer Service
- ☐ Green Buildings: How to Conduct a Waste Audit
- ☐ Green Commercial: Recycling
- ☐ Leadership & Supervisory Skills OR Leadership Scenarios
- ☐ Log Keeping
- ☐ OSHA 10-Hour General Industry*
- ☐ Security Awareness
- ☐ Time Management

*Completing OSHA 30-Hour General Industry fulfills this requirement.

New York Association of Realty Managers

Attaining a Building Management Certification Means Achieving:

- Greater self-confidence and job satisfaction
- Command of building management's essential components
- Industry prominence with access to advanced positions and significantly higher earning potential

COMMERCIAL/RESIDENTIAL

Gain the New York Accredited Realty Manager Certification

PREREQUISITE

- ☐ Superintendent/Resident Manager II Career Track

REQUIRED QUICK COURSE

- ☐ Building Management: Ethics

CERTIFICATION/COMPETENCY

- ☐ New York Accredited Realty Manager Certification (NYARM)

For certification, students must pass a written exam administered by NYARM. NYARM is dedicated to raising the standard of excellence for real estate and property management professionals through education, information, legislative initiatives, and a peer network that makes NYARM the benchmark for technological advancement and career enhancement.

Information & Policies

4 Ways to Learn!

1. Courses

Courses take place in all trimesters of the academic year unless otherwise noted. Each trimester is eleven to sixteen weeks long. The length is indicated under each course title, shown in the following format:

COURSE: 11 WEEKS

2. Quick Courses

Quick courses vary in length from one to ten sessions. The number of sessions and the length are indicated under each Quick Course title, shown in the following format:

QUICK COURSE: TWO 3-HOUR SESSIONS

Courses and Quick Courses are offered during the day, evenings, and on weekends. Schedules and locations are located underneath the descriptions. Eleven-week courses run all three trimesters unless otherwise stated.

Weekday Sessions meet once or twice per week. **Weekend Sessions** meet once per week.

Please note that for courses that have both weekday and weekend sessions, most longer weekend sessions contain a one-hour break (i.e., Carpentry Basics 9am-4pm has a one-hour break).

3. Remote/Zoom Courses

For remote courses via Zoom, look for this symbol (📺). To register:

- Go to 32bjmemberportal.org
- Call 888-284-3225

Remote sessions are listed after the classes in a physical location. Questions? Email training@32bjfunds.com

4. On-Site Courses

A contributing employer may request that we hold certain classes for its eligible employees at the employer's location if it provides appropriate space and registers at least ten eligible participants. Email employer-request@32bjfunds.com for more information.

English as a Second Language, Newark, NJ

Creating an Environment for Learning

Participants who take courses through the 32BJ Training Fund are hardworking people who make a commitment to their personal and professional development. Our rules and regulations are distributed at the start of each course and on our website. Not only are you expected to read the rules and regulations, but also to show your fellow students the respect they deserve by abiding by these rules. The Rules & Regulations are available here: www.32bjmemberportal.org/en-us/Your-Benefits/Training/Student-Rules-Regs.

Attendance Policy

Minimum attendance of 80% is required. Ask your instructor to assign makeup work to improve your attendance rate. Unfortunately, classes that do not have regular attendance of at least eight students may be combined, shortened, or canceled. We will do our best to accommodate all students in another section.

Course/Quick Course Prerequisites

Some Courses and Quick Courses require you to complete a prerequisite—a preparatory course—before you enroll. Some courses require minimum reading and math skills. Achievement of these skills can be established by presenting a high school diploma or its equivalent from an English-speaking country, or by passing a standardized test at or before registration. Several industry courses require completion of Online: Tools of the Trade before the course is complete. These pre- or corequisites are noted with each course description.

Test Out Available

The 32BJ Training Fund allows members to test out of some of our prerequisite courses:

- Air Conditioning & Refrigeration III (online test out)
- Computer: Basics/New Users (online test out)
- Computer: Spreadsheets (MS Excel) (online test out)
- Electricity Basics (Fifty-question paper exam; 70% passing)
- Plumbing Basics (Fifty-question paper exam; 70% passing)

To find out where and how to take these test-outs, call 888-284-3225.

Exemptions

Participants may submit credentials for consideration of exemptions from Training Fund courses. Please visit www.32bjmemberportal.org/en-us/Your-Benefits/Training/How-Training-Works for full policy and guidelines. Call 888-284-3225 with any questions.

“I am currently on a Career Track to become a Building Engineer, and feeling positive, persistent, and perseverant. Thanks to the Training Fund, I am accomplishing my dreams of advancement.”

Angela Chase

Job Title: Fire Life Safety Director**Location: Queens, NY****Employer: Harvard Protection****Courses Taken: Carpentry Basics; Electricity Basics; Plumbing Basics, and more!**

Courses and Quick Courses

Air Pollution Reduction

COURSE: 11 WEEKS

Learn how to protect air quality, conserve energy, and understand the environmental impacts of different types of fuel oil.

PENNSYLVANIA

Philadelphia: 32BJ SEIU Office
Sat, 9am–12pm (Spring)

Alarm Systems

COURSE: 11 WEEKS

Prerequisite: *Electricity Basics*

Identify the alarm needs of various buildings. Understand circuits, switches, and panels. Learn to construct a basic system and to supervise installation.

NEW YORK

Manhattan: 32BJ SEIU Main Office
Tue, 6–9pm (Winter, Spring)
Wed, 6–9pm (Fall)

American Sign Language I

COURSE: 11 WEEKS

Learn basic American Sign Language (ASL) vocabulary and grammar. Learn numbers 1-100, practice finger spelling and begin to understand the use of space and gestures. Receive an introduction to interacting with the Deaf community.

NEW YORK

Manhattan: 32BJ SEIU Main Office
Sat, 8:30am–12:30pm (Fall)
Wed, 5–9pm (Winter)

REMOTE LEARNING (ZOOM)

Sat, 9am–1pm (All Trimesters)
Tue, 5:30–9:30pm (All Trimesters)

Coming soon: Airport Service Worker Training

Learn how to keep airports safe for staff and the general public in both day-to-day and emergency situations as well as providing a welcoming, inclusive environment for all visitors. These courses will be customized to the passenger, ground, and janitorial services staff at participating airports. Check the Member Portal for updated information.

Cleaning: Products & Techniques, Manhattan, NY

American Sign Language II

COURSE: 11 WEEKS

Prerequisite: *American Sign Language I*

Build on the foundations learned in Level I. Continue to develop more ASLary (ASL vocabulary). Learn numbers up to 500. Fine-tune the ability to recognize and distinguish signs, finger spelling and use of space and gestures. Understand common Deaf slang and idioms.

NEW YORK

Manhattan: 32BJ SEIU Main Office
Sat, 8:30am–12:30pm (Winter)
Wed, 5–9pm (Spring)

Courses and Quick Courses

Building Automation Systems I: HVAC Concepts

COURSE: 11 WEEKS

Prerequisites: Air Conditioning &

Refrigeration I, Computer: Basics/New Users

Learn basic HVAC concepts such as psychrometrics, heat load calculations, and HVAC design. Diagnose and solve scenarios using a Building Automation System (BAS).

NEW YORK

Bronx: Monroe University
(East Fordham Road)

Wed, 6–9pm (Winter)

Thu, 6–9pm (Winter)

Manhattan: 32BJ SEIU Main Office

Mon, 11am–2pm (Fall)

Tue, 6–9pm (Fall)

Wed, 6–9pm (Fall)

Building Automation Systems II: Core Concepts

COURSE: 11 WEEKS

Prerequisite: Building Automation Systems I: HVAC Concepts

Gain practical experience using a Building Automation System (BAS). Identify the hardware in BAS architecture and use a BAS to adjust set points, manage alarms, schedule events, analyze system trends, and troubleshoot scenarios.

NEW YORK

Bronx: Monroe University
(East Fordham Road)

Wed, 6–9pm (Spring)

Thu, 6–9pm (Spring)

Manhattan: 32BJ SEIU Main Office

Mon, 11am–2pm (Winter)

Tue, 6–9pm (Winter)

Wed, 6–9pm (Winter)

Building Automation Systems III: Advanced

COURSE: 11 WEEKS

Prerequisite: Building Automation Systems II: Core Concepts

Learn advanced applications of Building Automation Systems (BAS), including accessing runtime reports and trend logs, reading and writing simple Control BASIC code, and using a BAS for building commissioning purposes.

NEW YORK

Bronx: Monroe University
(East Fordham Road)

Wed, 6–9pm (Fall)

Thu, 6–9pm (Fall)

Manhattan: 32BJ SEIU Main Office

Mon, 11am–2pm (Spring)

Tue, 6–9pm (Spring)

Wed, 6–9pm (Spring)

Building Automation Systems: Sustainable Technologies

COURSE: 11 WEEKS

Prerequisite: Building Automation Systems I: HVAC Concepts

Control and monitor a solar array, battery storage, heat pump, and other sustainable technologies. Analyze system trend reports and troubleshoot scenarios.

NEW YORK

Manhattan: 32BJ SEIU Main Office

Tue, 11:45am–2:45pm (Fall, Spring)

Thu, 6–9pm (All Trimesters)

Building Code Awareness

QUICK COURSE: ONE 3-HOUR SESSION

Understand the history of building codes and how to research them in New York City. Learn about the violation removal process.

NEW YORK

Manhattan: 32BJ SEIU Main Office

Oct 24, Fri, 6–9pm

Mar 13, Fri, 6–9pm

Go Green!

See the full range of
Green Buildings courses
beginning on page 31.

Courses and Quick Courses

Pre-English as a Second Language NEW

Develop basic literacy including reading, writing, and communication skills. Recognize letters and sounds to develop vocabulary. Build reading fluency and practice sentence formation. Call 888-284-3225 for more information.

Three Ways to Learn English!

Go to the 32BJ Member Portal (32bjmemberportal.com) and use the search terms below. Call 888-284-3225 for more information.

1. In Person

Participate in one of our traditional in-person classes at fifty-plus locations. Search for "English as a Second Language Placement," then select the location, date, and time you prefer.

2. Remote

Take a class over Zoom with a live instructor and other students. Search for "English as a Second Language Placement," then select the date and time you prefer.

3. Online/Cell Phone

Use your mobile device to learn on the go or take class at your own pace on a desktop or laptop computer. Go to 32bjmemberportal.org and search for "Online: English as a Second Language" and follow the instructions to go to the Rosetta Stone website. Download the Rosetta Stone app to learn on your phone. All accessed via your 32BJ account log in!

English as a Second Language: Intro & Levels I-V

COURSE: 11 WEEKS

Develop English skills to become more successful and confident at work and in daily life. Practice speaking, listening, reading, writing, grammar, and pronunciation through interactive activities inspired by real-world scenarios. Students will be assessed to ensure placement in the correct level. We will contact you promptly to arrange the assessment, which can occur by telephone, in-person, or via Zoom.

Courses and Quick Courses

FDNY

The Fire Department of the City of New York requires Certificates of Fitness for many job responsibilities. We offer courses that prepare members to take the necessary exams to earn these certificates. The FDNY requires a letter of recommendation from employers for all exams, but a letter is not required to attend our classes.

- Added four new FDNY certificate courses: C-15, S-92, G-98, & S-93, as well as a new Fire & Life Safety Director Refresher, and A2L Refrigerant Compliance course.
- See page 39 for the full list of Online FDNY Practice Tests. Look for this icon (🎧) for courses with practice tests.
- Be sure to check the qualifications required to take FDNY classes listed in each course description.
- FDNY Certificates of Fitness must be renewed every three years.
- Visit www.nyc.gov/site/fdny/business/all-certifications/certificates-of-fitness.page to find more information on FDNY Certificates of Fitness.

FDNY: Coordinator of Fire Safety & Alarm Systems in Homeless Shelters (F-80)

QUICK COURSE:
TWO 4-HOUR SESSIONS

Prepare to take the FDNY Certificate of Fitness Examination for Coordinator of Fire Safety & Alarm Systems in Homeless Shelters (F-80).

Note: Your employer must complete the appropriate FDNY forms for you to qualify to take the exam. Upon completion, 32BJ will provide a certificate of completion to be presented to the FDNY.

Green Buildings

Rise to the challenge of sustainable operations and maintenance! Building service workers are adapting to new requirements to address climate change and become more resilient. This includes decarbonization efforts through energy grades, carbon emission targets, and high-performance building standards. Green Building courses will help you master the concepts, strategies, and technologies used to make buildings more efficient and sustainable to meet these new demands. These courses also prepare members to earn green credentials and evaluate green certifications for buildings.

Green Buildings: Advanced Air Sealing

QUICK COURSE: TWO 3-HOUR SESSIONS

Learn air sealing concepts and techniques to reduce heating and cooling losses, lower carbon emissions, save money, and improve tenant comfort. Practice through hands-on exercises and develop a plan for your building.

NEW YORK**Manhattan: 32BJ SEIU Main Office**

Oct 20–27, Mon, 9am–12pm

Oct 20–27, Mon, 1–4pm

Dec 1–8, Mon, 6–9pm

Jun 9–16, Tue, 11am–2pm

Jun 10–17, Wed, 6–9pm

Jun 11–18, Thu, 6–9pm

Green Buildings: Advanced Lighting

QUICK COURSE: FOUR 3-HOUR SESSIONS

Prerequisite: Electricity Basics

Evaluate the features of various lamps and controls and understand the best practices to improve building appearance, save energy, and reduce operating costs and carbon emissions. Learn how to read lighting proposals and where to find lighting incentives.

NEW YORK**Manhattan: 32BJ SEIU Main Office**

Oct 8–29, Wed, 6–9pm

Feb 25–Mar 18, Wed, 6–9pm

Green Buildings: Combustion Safety & Efficiency Testing

QUICK COURSE: ONE 3-HOUR SESSION 

Prerequisite: Air Pollution Control (P-99)

Learn to identify deficiencies or hazardous conditions using the CAZ (Combustion Appliance Zone) to calculate depressurization limits and proper chimney draft conditions. Analyze efficiency testing results for boilers in multifamily buildings.

REMOTE LEARNING (ZOOM)

Dec 5, Fri, 9am–12pm

Mar 19, Thu, 6–9pm

Jun 12, Fri, 6–9pm

Green Buildings: Energy Grade & Carbon Emissions

QUICK COURSE: SEVEN 3-HOUR SESSIONS

Comprehend New York City energy grades and building carbon emission limits. Learn how to increase grades and comply with Local Law 97. Review your building's benchmarking data. Receive coaching, resources, and borrow tools to implement a targeted list of energy efficiency improvements.

NEW YORK**Manhattan: 32BJ SEIU Main Office**

Sep 29–Nov 17, Mon, 6–9pm

Feb 10–Mar 24, Tue, 11am–2pm

Apr 14–May 26, Tue, 6–9pm

Courses and Quick Courses

Green Buildings: How to Conduct a Waste Audit

QUICK COURSE: ONE 3-HOUR SESSION

Prerequisites: *Green Commercial: Recycling OR Green Residential: Recycling for Multifamily Buildings*

Understand the purpose and benefits of conducting a building waste audit. Perform the steps of a waste audit. Interpret results and use targeted strategies to improve waste diversion in your building.

NEW YORK

Manhattan: 32BJ SEIU Main Office

Dec 10, Wed, 6–9pm

Mar 20, Fri, 6–9pm

Jun 1, Mon, 6–9pm

Green Buildings: LEED Arc

QUICK COURSE: ONE 3-HOUR SESSION

Understand how Leadership in Energy and Environmental Design (LEED) uses the digital platform Arc to measure and track building performance. Learn how to set up an Arc account and how 32BJ HQ uses Arc.

REMOTE LEARNING (ZOOM)

Dec 13, Sat, 9am–12pm

Jan 28, Wed, 6–9pm

Jun 9, Tue, 6–9pm

Green Buildings: Passive House Multifamily Buildings

QUICK COURSE: ONE 3-HOUR SESSION

Learn about Passive House building design and discuss multifamily buildings that meet Passive House standards, the highest efficiency standards in the industry. Review the strategies used to slash energy costs and improve tenant comfort.

REMOTE LEARNING (ZOOM)

Dec 3, Wed, 6–9pm

Mar 12, Thu, 9am–12pm

Jun 9, Tue, 6–9pm

Green Buildings: Seminar Series

QUICK COURSE: VARIOUS

Learn about various green topics and sustainable practices.

NEW YORK

Manhattan: 32BJ SEIU Main Office

Earth Day Kick-Off: Movie Night

Apr 17, Fri, 6–9pm

Wed, 9am–12pm (Fall)

Thu, 6–9pm (Fall)

Green Commercial II: Building Operator Certification I

COURSE: 11 WEEKS

Prerequisite: *Green Commercial I: GPRO Mechanical, Electrical & Plumbing (MEP)*

Gain an in-depth understanding of HVAC controls, common opportunities for operational improvements, and scoping for energy efficiency. Qualify to earn the Building Operator Certification Level I (BOC I).

Note: Certification lasts two years.

Certifying Body: Northwest Energy Efficiency Council

NEW YORK

Queens: Queens College

Mon & Wed, 6–9pm (Winter)

REMOTE LEARNING (ZOOM)

Mon & Wed, 9am–12pm (Winter)

Green Commercial III: Building Operator Certification II

COURSE: 11 WEEKS

Prerequisite: *Green Commercial II: Building Operator Certification I*

Gain a better understanding of major building systems and the tools to measure performance, energy use, and savings. Qualify to earn the Building Operator Certification Level II (BOC II). *Note: Certification lasts two years.*

After that, it must be renewed every year.

Certifying Body: Northwest Energy Efficiency Council

NEW YORK

Queens: Queens College

Mon & Wed, 6–9pm (Spring)

REMOTE LEARNING (ZOOM)

Mon & Wed, 9am–12pm (Spring)

Green Commercial: Green Cleaning & Recycling

QUICK COURSE: ONE 3-HOUR SESSION

Recognize green product certifications, identify and utilize green practices in cleaning, and consider ways to improve indoor air quality. Review waste and recycling policies and inefficiencies and how to report them.

Note: By employer request only.

Green Commercial: Introduction to Green Building Concepts & Reporting

QUICK COURSE: ONE 2.5-HOUR SESSION

Understand the basic concepts of climate change and sustainability and how they relate to the building service industry. Explain the importance of building green and identify green building initiatives, such as Leadership in Energy and Environmental Design (LEED). Recognize the importance of reporting inefficient practices in the workplace.

Note: By employer request only.

Green Commercial: Recycling

QUICK COURSE: ONE 2-HOUR SESSION 

Understand recycling rules and regulations in commercial buildings. Define the roles of tenants, cleaners, and carters in fulfilling recycling procedures and avoiding fines. Learn how to set up a recycling station.

REMOTE LEARNING (ZOOM)

Oct 16, Thu, 10am–12pm
Mar 23, Mon, 6–8pm
Jun 23, Tue, 6–8pm

Green Commercial: Sustainability in Other Resources

QUICK COURSE: ONE 2.5-HOUR SESSION

Identify common energy and water inefficiencies in a commercial building and how to report them. Review health and safety guidelines, and green cleaning best practices.
Note: By employer request only.

Green Professional I: LEED Green Associate

COURSE: NINE 3-HOUR SESSIONS  

Prerequisites: *Green Commercial I: GPRO Mechanical, Electrical & Plumbing (MEP)* OR *Green Residential III: BPI Multifamily Building Analyst (MFBA)*

Understand the LEED rating systems. Learn the concepts used to certify a building as a LEED Building. Qualify to take the exam for the LEED Green Associate (LEED GA) credential. *Note: Certification lasts two years. See online practice test listing on page 39. Certifying Body: Green Business Certification Inc.*

REMOTE LEARNING (ZOOM)

Sep 27–Nov 22, Sat, 9am–12pm

Green Professional II: LEED AP (O+M)

COURSE: 11 WEEKS  

Prerequisite: *Green Professional I: LEED Green Associate*

Learn about the credits and processes used to certify a building under the LEED Existing Building Operations and Maintenance rating system. Qualify to take the exam for the LEED Accredited Professional (AP) in Operations & Maintenance.
Certifying Body: Green Business Certification Inc.

REMOTE LEARNING (ZOOM)

Sat, 1–4pm (Fall)

Green Professional II: LEED AP (O+M) Test Preparation

COURSE: 11 WEEKS  

Prerequisite: *Green Professional I: LEED AP (O+M)*

Prepare for the LEED AP O+M exam through class review and practice tests.
Note: Certification lasts two years. Certifying Body: Green Business Certification Inc.

REMOTE LEARNING (ZOOM)

Sat, 1–4pm (Winter)

Green Professional: WELL Accredited Professional (WELL AP)

COURSE: 11 WEEKS  

Prerequisite: *Green Professional I: LEED Green Associate*

Understand the WELL Building Standard. Learn the concepts used to fulfill the requirements of a WELL-certified building. Qualify to take the exam for the WELL Accredited Professional (WELL AP) credential.
Note: Certification lasts two years. Certifying Body: Green Business Certification Inc.

REMOTE LEARNING (ZOOM)

Sat, 9am–12pm (Winter)

Green Residential I: BPI Multifamily Building Operator (MFBO)

COURSE: 11 WEEKS 

Prerequisite: *Air Pollution Control (P-99)*

Learn operations and maintenance strategies that can increase efficiency, save money, improve tenant comfort, and reduce waste and carbon emissions. Qualify to take the exam for the Building Performance Institute (BPI) Multifamily Building Operator (MFBO) Certification. *Note: Certification lasts three years. See online practice test listing on page 39. Certifying Body: Building Performance Institute*

NEW YORK

Bronx: Monroe University
(East Fordham Road)

Courses and Quick Courses

Online

Learn at your own pace! Our online courses can help you keep working toward your education goals, and the best part is that you can take them anytime, day or night. To register, go to the 32BJ Member Portal at 32bjmemberportal.org.

Online: Air Pollution Control Practice Tests (P-99)

QUICK COURSE: THREE HOURS

Take practice tests for the P-99 exam.

Online: Appliance Repair

QUICK COURSE: FIFTEEN HOURS

Prerequisite: Online: Tools of the Trade

Discover methods for troubleshooting home appliances such as dishwashers, electric stovetops, microwaves, refrigerators, and washing machine and dryer sets using interactive three-dimensional models and videos.

Online: Asbestos Awareness

QUICK COURSE: ONE HOUR

Learn how to identify the presence of asbestos inside and outside of a building. Understand the health effects of asbestos and how to handle a situation where it has been disturbed or is damaged. *Note: For an equivalent in-person course please see the listing on page 10.*

Online: Asbestos Awareness in Schools

QUICK COURSE: TWO HOURS

Meet the requirements for the AHERA 2-hour asbestos awareness training for school maintenance and custodial staff. Identify areas where asbestos may be present, understand the harmful effects, describe methods to avoid exposure, and become familiar with OSHA and EPA standards. *Note: This is not a certification course and does not qualify anyone to work with or handle asbestos.*

Online: Basic Budgeting

QUICK COURSE: ONE HOUR

Understand the importance of a financial budget for managing personal expenses. Discover common mistakes and learn how to avoid them. Create and maintain a personal budget.

Online: Basic Principles of Electricity

QUICK COURSE: ONE HOUR

Identify the differences between voltage, current, resistance, power, conductors, insulators, and semiconductors. Perform common conversions using Ohm's law and Watt's law. Calculate resistance, voltage, current, and power for series and parallel circuits.

Online: Bed Bug Awareness

QUICK COURSE: ONE HOUR

Learn about strategies to detect, control, and eradicate bed bugs. *Note: For an equivalent in-person course please see the listing on page 11.*

Online: Building Management: An Introduction

QUICK COURSE: TWO HOURS

Discover how a management company operates on a day-to-day basis, including back-office procedures, staff management, and building staff hiring practices. *Note: For an equivalent in-person course please see the listing on page 13.*

Online: Business Writing

QUICK COURSE: ONE HOUR

Create effective communications using a professional writing process. Select the best mode of communication, adjust your writing style to suit your audience, and learn strategies to avoid lawsuits.

Online: Business Writing: Letters & Emails

QUICK COURSE: ONE HOUR

Develop techniques for effective communication with customers, employees, and supervisors. Learn how to structure letters or emails and use proper professional tone and language.

Online: Carbon Monoxide Awareness

QUICK COURSE: ONE HOUR

Learn about the hazards of carbon monoxide (CO) in residential buildings and the requirements for installing CO detectors. *Note: For an equivalent in-person course please see the listing on page 14.*

Online: Chemical Hazard Communications

QUICK COURSE: ONE HOUR

Recognize the hazards associated with chemical substances, learn how to communicate hazards effectively, and follow procedures to safely handle and store chemicals.

Online: Customer Service

QUICK COURSE: THREE HOURS

Identify the principles of excellent customer service. Using real-life building service worker scenarios, learn strategies to create a professional environment, and navigate complex tenant interactions. *Note: For an equivalent in-person course please see the listing on page 20.*

Online: Disaster Preparedness

QUICK COURSE: TWO HOURS

Learn what to do before, during, and after an emergency, loss of power, or weather-related disaster. Examine emergency communication, working with special needs tenants, and portable generator safety.

FDNY Practice Test Courses

These courses were designed to be used as study guides for the instructor-led courses that we offer. They are not a substitute for the instructor-led courses and no certificates are awarded for these practice sessions, though they have improved test scores for those who have spent significant time using them. These are the current FDNY Online Practice Tests:

FDNY: Coordinator of Fire Safety & Alarm Systems in Homeless Shelters (F-80)

FDNY: Fire & Life Safety Director (F-89)

FDNY: Fire & Non-Fire Emergency Drill Conductor (F-07)

FDNY: Fire Guard for Impairment Citywide (F-01) 

FDNY: Fire Guard for Shelters Citywide (F-02) 

FDNY: Indoor/Outdoor Place of Assembly Safety Personnel (F-03 & F-04) 

FDNY: Inspection, Cleaning & Testing of Smoke Detectors (F-78)

FDNY: Refrigerating System Operating Engineer (Q-01)

FDNY: Standpipe & Sprinkler Systems (S-12, S-13, S-14, and S-15)

FDNY: Supervision of Fire Alarm Systems (S-95)

FDNY: Supervision of Stationary Energy Storage Systems (B-28)

FDNY: Supervision of Storage, Handling & Use of Corrosives & Oxidizers (C-42)

FDNY: Supervision of Storage, Handling & Use of Flammable or Combustible Liquids (C-92)

FDNY: Watchperson at Construction Sites (S-60)

The instructor-led FDNY courses that are required for FDNY Certifications of Fitness can be found on pages 24–29.

Find your practice test on the Member Portal by clicking “Find and register for an online course” and entering at least part of the course title.

(Non-FDNY practice tests are listed separately within this section.)

Online: Gas Safety Awareness

QUICK COURSE: ONE HOUR 

Learn how to comply with Local Law 157, which requires that buildings have natural gas alarms in homes and buildings. Know what to do during a gas safety event in a residential building. Learn how to minimize the impact to the building and how to work with first responders. *Note: For an equivalent in-person course please see the listing on page 31.*

Online: Green Buildings: Solar PV Basics

QUICK COURSE: EIGHTEEN HOURS

Prerequisite: Online: Tools of the Trade

Gain basic knowledge about the technology, industry applications, basic components, and economics of solar photovoltaic systems.

Online: Green Professional I: LEED Green Associate Practice Tests

QUICK COURSE: THREE HOURS

Take practice tests for the LEED Green Associate exam.

Online: Green Residential I: BPI Multifamily Building Operator (MFBO) Practice Tests

QUICK COURSE: THREE HOURS

Take practice tests for the BPI (MFBO) certification.

Online: High School Equivalency (GED)

COURSE: THIRTY-THREE HOURS 

Improve reading, writing, and math skills, and develop scientific and critical thinking to prepare for the High School Equivalency (GED) test. *Note: For an equivalent in-person course please see the listing on page 35. Residents of certain states may be charged a fee to take the GED test. If you have a test date scheduled, ask your Site Manager about tutoring sessions.*

Online: Elder Abuse Awareness

QUICK COURSE: TWO HOURS

Understand the concept of healthy aging and misconceptions people commonly hold about the aging process. Gain knowledge about the issue of elder abuse, recognize the warning signs, and how to report suspected abuse.

Partner: The Harry and Jeanette Weinberg Center for Elder Abuse Prevention

Online: English as a Second Language

COURSE: SELF-PACED

Develop English skills to become more successful and confident at work and in daily life. Practice vocabulary and grammar through interactive activities. *To use Rosetta Stone via your 32BJ account, open the Rosetta Stone app and click the SSO option on the first login screen. Enter “32bjfunds”. Use your Member Portal information at the username/password form.*

Online: Fire Extinguisher Safety

QUICK COURSE: ONE HOUR

Describe the causes of fires, identify preventative measures, indicate proper fire safety conduct, and properly use and list the different types of fire extinguishers.

Online: Fireman Low Pressure Black Seal Practice Tests and Review

QUICK COURSE: THREE HOURS

Prepare for the Fireman Low Pressure Black Seal state examination by taking practice tests and reviewing basic concepts from the in-person preparation class.

Courses and Quick Courses

Online: Individual Anger Management

QUICK COURSE: ONE HOUR

Manage your anger appropriately and constructively. Apply course core elements to work-specific environments, and beyond.

Online: Integrated Pest Management

QUICK COURSE: TWO HOURS

Develop an integrated pest management (IPM) program for your building. Learn how to prevent and control pest infestations using methods that rely less on pesticides and more on exclusion and sanitation. *Note: For an equivalent in-person course please see the listing on page 36.*

Online: Math & Measuring Skills for Carpentry

QUICK COURSE: TWO HOURS

Learn basic math concepts that are fundamental to the carpentry profession. Participants are guided through real-life examples using measurements, fractions, decimals, and more.

Online: Math & Measuring Skills for Electricity

QUICK COURSE: TWO HOURS

Review basic math concepts that are fundamental to the electrical profession. Participants are guided through real-life examples using measurements, fractions, decimals, and more.

Online: Math & Measuring Skills for Plumbing

QUICK COURSE: TWO HOURS

Acquire basic math concepts that are fundamental to the plumbing profession. Participants are guided through real-life examples using measurements, fractions, decimals, and more.

Online: Microsoft Excel Basics

QUICK COURSE: TWO HOURS

Learn to create worksheets and effectively calculate and present your data. Get familiar with the Excel interface. Learn how to create workbooks and enter data.

Online: Microsoft Excel Intermediate

QUICK COURSE: FOUR HOURS

Build on your knowledge of Excel with more advanced calculations and specialized actions. Develop an understanding of PivotTables and PivotCharts to analyze and present your data. Learn to filter using Slicers.

Online: Microsoft Excel Advanced

QUICK COURSE: TWO HOURS

Learn advanced ways of collaborating with others, automate complex tasks, and predict future potential outcomes. Discover how to track, retrieve, and consolidate data. Master advanced auditing tools. Work with macros to automate tasks.

Online: Microsoft PowerPoint Basics

QUICK COURSE: FOUR HOURS

Master the essentials of PowerPoint. Learn to create, edit, and format slides. Add text, images, and basic animations to make your presentations engaging and professional. Perfect for beginners looking to build foundational skills.

Online: Microsoft PowerPoint Intermediate

QUICK COURSE: FOUR HOURS

Customize the user interface to improve efficiency, create customized templates, and insert SmartArt and animations. Utilize math equations, use collaborative tools, add security, and distribute your presentation in different formats.

Online: Microsoft Word Basics

QUICK COURSE: THREE HOURS

Practice formatting text and paragraphs, managing lists, adding tables, inserting graphic objects, refining page appearance, and publishing error-free, readable documents.

“Since starting my English class, I understand when people at work need specific materials. I communicate better with my clients. I am more comfortable shopping.”

Experienced Security Officer Incentive Program

Security Officers working under the RAB Security Agreement terms and other contracts, including prevailing wage sites, with less than 36 months of experience, may be eligible for a pay increase of over \$3.00 per hour, to advance to the full Security Officer I rate, by completing these four courses and obtaining applicable FDNY certifications:

- FDNY: Fire Guard for Impairment Citywide (F-01)
- FDNY: Indoor/Outdoor Place of Assembly Safety Personnel (F-03 & F-04)
- Fire Safety: Building Evacuation Supervisor
- Security Officer: Professionalism & Customer Service

See the listings for each class in this catalog. For questions and to confirm eligibility, please call (888) 284-3225 or email training@32bjfunds.com. For questions regarding your work site's eligibility for the Incentive Program, contact your Security Division representative.

Florida

Learn about various forms of workplace harassment and the steps workers can take if they believe they are victims of harassment. Topics include hostile workplace environments and the reporting process. Created with different scenarios and interactive exercises.

New Jersey

Learn about various forms of workplace harassment and the steps workers can take if they believe they are victims of harassment. Topics include hostile work environments, workplace accommodation, and the reporting process. Created with different scenarios and interactive exercises with the guidance of the New Jersey Department of Civil Rights.

New York

Learn about various forms of workplace harassment and the steps workers can take if they believe they are victims of harassment. Course based on guidance provided by the New York State Department of Labor and Division of Human Rights. Available in Albanian, Polish, and Spanish. For an equivalent self-paced course see our online listings on page 41.

Washington, DC

Identify behaviors that are considered to be harassment by law, and understand the consequences of harassment for individuals and organizations. This course is based on guidance provided by the DC Office of Human Rights, customized to the building service industry.

Window Cleaners: 32-Hour Suspended Scaffold Supervisor

COURSE: EIGHT 4-HOUR SESSIONS 

Learn the basic rules, regulations, and procedures necessary to obtain the license for 32-Hour Suspended Scaffold Supervisor. Note: Certification lasts four years. Refresher course must be completed within twelve months before current card's expiration date.
